From the D C Tumkur

No A 6 C 4723/41-42 dt 13 6 42 submits for information, a note summarising the affairs of the above Mully for 1941-42

It is a town Mully The observations made by the D C are as follows -

1) The arenas have been heavy and outstandings from 1931-32 onwards The collection is very unsatisfactory during the current year due to the prevalence of plague

2) There has been a fall in octroi income since 1939-40

3) The scope for improving the resources of the Mully is very limited and the question of revising the assessment of taxes is overdue

4) The Sanitary Engineer has been asked to prepare an estimate for the comprehensive drainage scheme of the town and the Mc should have made provision for the construction of a town hall at the places The question of erecting has been referred by Govt to the Corporation

I have the honour to state that I have inspected Chikkanaikanahalli Town Municipality on 9-5-1942 I am sending herewith for the information of Government a note summarising the position of affairs of the - Municipality as cntemplated in letter No L 1428/35 dated 6th August 1937 from the Secretary to Government, Local-Self Government Department to this office

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Tumkur District

T R

Note summarising the position of Chikkanaikanahalli Town Municipality as on 9-5-1942

--- o ---

The principal sources of income of the Municipality are Mohatarfa, Octroi, Shandy fees and tolls The arrears of Mohatarfa on 1-7-1941 was Rs 7,875/- On 9-5-1942 this was reduced to Rs 5,218/- The annual demand is a little over Rs 6,000/- Together with the balance of current demand, the total amount outstanding comes to Rs 9,115/- The arrears are heavy and are outstanding from the year 1931-32 onwards The collections are far from satisfactory The collections for 40-41 have come up to Rs 5,483/- and during the ten months of the currant year, they have come up to Rs 5,218/- All the collections have been severely affected by the prevelance of plague on account of which the town had to be evacuated for nearly four months

It is seen that there has been a fall in Octroi income from 1939-40 During the ten months of the current year the collections have been Rs 1,826/-

The annual income from the Shandy during the ten months of this year has aggregated to R. 1,088/- The income from tolls which are also being worked ~~mmani~~, have shown a rising tendency and has increased from Rs 847/- in 35-36 to Rs 1,551/- in 39-40 During the ten months of the current year collections have aggregated to Rs 1,044/- The balance available at the credit of the Municipality including investments is Rs 8,747/-

The scope for improving the resources of the Municipality is very limited The revision of assessment of taxes is over due Contributions payable by the Municipality annually come to Rs.969/- A sum of Rs 613/- has been adjusted ~~mm~~ already during the current year and the balance will be paid up before the end of the official year

P T O

No major improvement works have been undertaken during the year A sum of nearly Rs 349/- has been spet for cynogassing and other charges on account of the plague epidemic

The Sanitary Engineer has been requested to prepare an estimate for the comprehensive drainage scheme of the Town The Municipality has made provision for the construction of a Town Hall building and had also requested for half the cost of the building as Government grant, but no grant was given in this behalf during the current year

The Amildar-President, Mr T A Bashirruddin Ahmed is taking interest in his work The Vice-President, Mr Maliyappa is also showing zeal in his work But since the arrears are heavy, both of them have been instructed that they should make every effort to collect the entire arrears

Deputy Commissioner,
Tumkur District
